

ANTIGUA, GUATEMALA

spring break 2018

Friends and Family,

I am so excited to join Palm Beach Atlantic University's Global Project to Antigua, Guatemala during my upcoming spring break. I will be joining a team of 23 other students as we partner with Potter's Field Ministries and serve alongside them in various ministry opportunities.

During our week long trip to Guatemala, our primary ministry will be to children. Potter's Field Ministries has been facilitating an after school program called *Potter's Field Kids* in 7 countries for over 30 years. In this program, Potter's Field provides opportunities for children in a safe, Christ-centered environment that includes homework help, meals, activities, Gospel presentations and discipleship. My team is blessed to be able to serve in their Guatemala locations during our trip, as well as participate in their outreach initiatives in local hospitals, markets, and schools.

Our goal is to support an established ministry and its staff by serving wherever they need our support while also taking the unique opportunity to be a picture of the gospel to the people of Guatemala. The Lord has been working through Potter's Field in Antigua, Guatemala and we are honored to be able to participate in their continuing ministry there. Our team also includes a large group of younger underclassmen who are leaving the country for the first time and we are excited to have a core group of older students to mentor them through their first missions trip.

Please begin to join us in prayer that the Lord would prepare our hearts for ministry. Pray for our team members who are participating in their first missions trip and that the Lord would impact them greatly not only through their time in Guatemala but through the relationships they foster on our team. Pray for the hearts of those that we will meet during our trip and that they will be receptive to the Gospel. Also lift up the established missionaries and ministry Potter's Field has in Guatemala and pray that we would be a blessing and an encouragement to them.

As you pray for our team, pray about financially supporting me as well. My trip cost is \$850 and I have already begun to raise support through team fundraisers and donations. Please consider financially supporting me as I follow God's call to join his work in Antigua, Guatemala. For more information about donating, please see the letter attached from my trip sponsor and visit the websites below to donate. To learn more about the work of Potter's Field Ministries around the world, please visit their website at pottersfield.org.

Until the whole world hears,
